

## **Deadly Descendants: A United Journey of Strength and Spirit**

### **To Our Esteemed Parents, Carers, and Partners in Government and Non-Government Organizations,**

In the heart of our community pulses the vibrant spirit of Deadly Descendants, an organisation steadfast in its commitment to nurturing, empowering, and safeguarding the well-being of children and young people. Our mission is built upon the foundation of cultural respect, inclusivity, and a deep-seated belief in the potential within each young individual we have the privilege to support.

### **Our Promise: A Sanctuary of Strength and Safety**

At Deadly Descendants, we hold sacred the responsibility of providing a safe, nurturing environment that respects and celebrates the individuality of each child and young person. Grounded in the rich traditions and wisdom of Aboriginal and Torres Strait Islander cultures, we extend an invitation to all young people to join us in a journey of discovery, empowerment, and connection.

Our ethos is one of zero tolerance towards any form of child abuse, underscored by our unwavering commitment to creating spaces where every voice is heard, valued, and respected. We understand the profound impact that neglect, abuse, and trauma can have—not just on individuals, but across generations—and we dedicate ourselves to healing, support, and prevention.

### **Our Spirit: Building Bridges and Nurturing Growth**

We see ourselves as companions and guides in the epic journey of life, offering support, celebration, and wisdom drawn from the enduring legacy of our ancestors. Our approach is holistic, acknowledging the physical, emotional, and spiritual needs of young people, and fostering environments where they can thrive, express themselves freely, and embrace their unique identities.

### **Community at Our Core**

The strength of Deadly Descendants lies in our community-focused ethos. We believe in the power of unity and collaboration, working hand in hand with families, carers, and organisations to cultivate a culture of care, respect, and mutual support. Our programs and initiatives are designed to empower not just individuals, but entire communities, reinforcing the importance of collective well-being and social justice.

## **Empowerment Through Inclusion and Diversity**

Inclusivity is at the heart of our mission. We strive to ensure that every child and young person, regardless of their background or abilities, feels a sense of belonging within our community. By celebrating diversity and promoting understanding, we aim to bridge gaps and foster a spirit of unity and mutual respect.

## **Our Vision for the Future**

Deadly Descendants dreams of a world where every child and young person recognizes their inherent strength, feels confident in their cultural identity, and is empowered to pursue their dreams. We are committed to laying the groundwork for this future, working tirelessly to protect, support, and uplift the next generation.

## **An Invitation to Join Us**

To parents, carers, and our partners in both government and non-government sectors: we invite you to join us in this vital mission. Together, we can forge a path of healing, empowerment, and unity—a journey that honours the past, celebrates the present, and builds a hopeful, inclusive future for all our young people.

**Welcome to Deadly Descendants—where every journey is a step towards strength, spirit, and shared success.**
